After depletion of current inventory, prices and lead times will be quoted in accordance with the terms described in the QUOTATIONS - SPARE PARTS AND DELIVERY paragraph. In the event the Customer requests a delayed shipment, Middle River Aircraft Systems reserves the right to review and adjust prices accordingly.

The prices indicated are net unit prices, expressed in United States Dollars (USD). Middle River Aircraft Systems ships on a freight collect basis only. Parts will be packaged and labeled in accordance with ATA Specification 300. **Middle River Aircraft Systems does not provide export shipping service. The terms and conditions contained within this catalog and/or the applicable Middle River Aircraft Systems' General Terms Agreement (GTA) for CF6-80C and CF6-80E model spares, if any, will govern the purchase of CF6 model spares. In the event of a conflict between this catalog and the GTA currently in effect between the Customer and Middle River Aircraft Systems (if any), the GTA will take precedence. Terms and conditions on the face or reverse of Customer purchase orders shall in no event apply to these transactions.
